**OPPONENTS OF ALCOHOLISM
OPEN SIX DAY SESSION TODAY**

Speakers From 15 Foreign Countries Are on the Program For the 15th International Congress in Washington—Delegates From Most Parts of the World Will Be Present—A Pageant Will Be Staged Illustrating the Anti-Liquor Movement in This Country—Plans of Various Anti-Liquor Organizations Are to Be Announced Next Sunday—William J. Bryan, Attorney General Palmer and Secretary Daniels Are to Discuss Phases of National Prohibition.

Washington, Sept. 5.—The fifteenth international congress against alcoholism will open here tomorrow for a six-day session with delegates from most parts of the world present. Originally the congress was scheduled to meet in 1915, but having been postponed because of the war its present meeting will be the first since that at Milan, Italy, in 1907.

Speakers from fifteen foreign countries are on the program. These from the United States will include William J. Bryan, Attorney General Palmer and Charles D. Lummis, who will discuss phases of national prohibition. In addition to the speeches, the congress will stage a pageant illustrating the anti-alcohol fight in this country. An exhibit also will be held. The congress methods used in the world campaign against liquor and of the development in

A number of national and international organizations and societies will hold meetings and conferences during the congress, but at hours supplementing its regular session. These societies include the World League Against Alcoholism, the World Prohibition Federation, the In-

On Friday, Dr. P. A. Baker of O., superintendent of the American Anti-Saloon league, will speak on "Pellucid Aspects of the Prohibition Movement in America—Partisan and Non-Partisan." and Representative John G. Coe of Ohio will discuss "The Temperance

Alcohol as affecting health will be the theme at the opening session. Dr. Eugene L. Task, medical director of the Life Extension Institute, New York city, is to discuss the relation of alcohol to modern health ideals, and Dr. Charles R. Stockard of Geneva.

In North and South American countries Miss Ruth E. Szepe, of Toronto will take the fight in Canada and Dr. Alex. de Lima, of Lima, will speak of that South America. Other speakers will deal with the movement in Mexico and Central America. Saturday afternoon will be devoted to recreation, it being planned

Beer and light wines will be the center of attention Wednesday. Dr. Harvey W. Wiley will discuss "The Proposal for Beer and Light Wines in the United States from the Economic and Political View-

registered pharmacist constitute a serious problem, according to delegates here today for the annual convention of the National Association of Retail Druggists. The situation arises from the entrance requirements of pharmaceutical colleges, coupled with prevailing economic conditions, according to the delegates, who ex-

plain that young men are able to find employment that is more remunerative and does not entail the study demanded for a competent pharmacist.

**ATTEMPT TO DYNAMITE
A MONTREAL HOTEL**

Montreal, Sept. 29.—With one suspect under arrest, police today sought to establish the motive for an apparent attempt Saturday night to dynamite a local hotel owned by Wilfred Cormier.

The side walls of the hotel and those of the Royal Broom company's building

The shooting was witnessed by

lengths of fuse with detonating caps attached.

DECREASE IN CONSUMPTION
OF WINES AND LIQUORS

Washington, Sept. 26.—Consumption of

students at the high school who changing class rooms at the time Jennie Woods, a sister of the dead man, was with Mrs. Suga at one of the shootings, which the police say the culmination of a series of domestic quarrels between the couple.

LE ROY PERFECT HAS
PROVEN HIS INNOCENCE

Consumption in 1919 totalled 993,394-750 gallons compared with 1,701,827,271 gallons or 15.25 gallons per capita in 1915. The record consumption year since 1870 was 1911 when the total reached 2,252,372,765 gallons or 22.50 gallons per capita.

**RIO JANEIRO WELCOMES
RULERS OF BELGIUM**

Rio Janeiro, Sept. 20.—Crowds of merry-makers marched through the streets of the Brazilian capital tonight in honor of

King Albert and Queen Elizabeth of Belgium who landed here today. All the thoroughfares were brilliantly illuminated, and conspicuous among the decorations were the colors of the allied and associated nations. An elaborate program of entertainment for the royal visitors, who are the first king and queen ever to

visit South America, began soon after their arrival.

GEORGETOWN RECORDS

A SEVERE EARTHQUAKE

Washington, Sept. 26.—A severe earth-

quake was recorded today on the seismograph at Georgetown university. The disturbance began at 9.55 a. m. and continued until about 12.20 p. m., with the greatest intensity at 10.49 a. m. It was estimated that the disturbance occurred about 3,500 miles from Washington.
